Subject: CPG's Response to EPA Region 2's Oct 23 Modeling Clarification Letter -corrected

Please us this version - a P&C/Draft was inadvertently retained in a footer - my apologies.

Stephanie:

Attached is the CPG's response to the Region's October 23 letter discussing the model development for the LPR/NB Model for the LPRSA RI/FS and NBSA RI/FS. Additional attachments of the CPG letter will be forwarded separately in early December.

Please contact me with any questions or comment

Best wishes for a Happy Thanksgiving.

Thank you.
